

Advantage

A NEW ERA
A NEW BEGINNING
A NEW ADVANTAGE

Bagless Commercial Cyclone • Back Pack • Vacuum Cleaner

THE POWER OF INNOVATION

THE SMARTER ADVANTAGE, IS EASIER AND MORE CONVENIENT

WINNER OF THE INCLEAN INNOVATION AWARDS

Mighty suction, strong and powerful Advantage cleans better and faster. The long life motor reduces down time and replacement costs. These features together with our patented bagless multi-cyclone technology, Advantage is already a winner. Come join the winners.

WE GOT YOUR BACK

Single handed operation, weighs only 4.9kg, full back padding, double padded waist support, contoured shoulder pads, Advantage is light to carry and effortless to use, so you can clean for longer in comfort.

IT'S TIME TO TAKE ADVANTAGE

SAVE MONEY

Avoid unnecessary waste; eliminate the cost of bag replacement. Save by using reusable filters.

BAGLESS

Designed for optimum convenience Advantage is bag free and hassle free.

CYCLONE TECHNOLOGY

Advantage uses patented multicyclone technology to eliminate suction loss from clogging filter bags.

SUPERIOR HYGIENE

A combination of anti-bacterial additives in the hose and bin, together with antimicrobial and odour control additives in the motor filter, Advantage provides an added level of hygiene when cleaning.
